

ASSEMBLY TIME 30 seconds

The brochures are protected during transport.

The silver finish gives a feeling of exclusivity.

Simple to lock thanks to a practical fastener.

Designed for good stability.

GOOD DESIGN, VISIBLE AND EASILY ACCESSIBLE

A practical, eye-catching brochure stand is never out of place. With its exclusive design and ingenious construction the Brochure Stand is an ideal profiling medium in any environment. It has four curved holders at varying heights to facilitate brochure selection, it is easy to carry and printed matter is stored safely during transport. The Brochure Stand is simple to unfold and simple to secure thanks to the practical locking device.

STANDARD PACKAGE (image not included)

The package contains an aluminium frame with strong polycarbonate holders for the brochures and a padded nylon bag. The bag comes with a shoulder strap and a strong handle.
